Mixed Gender Housing Agreement
Campus Housing

Select 2-person apartment units in Single Student Residence (SSR), Marie Robinson Hall (MRH) and Thomas Beckham Hall (TBH) have the option for mixed-gender assignments (students of different genders living in the same unit).

These designated 2-person apartments will be made available during the Room Reservation Process (RRP) and selected in the same manner as all other housing units - a mixed-gender housing designation simply means that either a single-gender group or mixed-gender group may select the apartment. The selection of mixed-gender units are made by the student; no student will be assigned to a mixed-gender living environment without their expressed consent to live with a specific person of any gender.

The following policy and conditions are applicable to students who elect to live in a mixed-gender housing option and reside with a person of a different gender (without regard to race, ethnicity, religion, sexual orientation, national origin, physical or mental disability or veteran status). By signing below, you acknowledge and agree to the terms of the policy and conditions:

1. All roommates in mixed-gender housing must be UIC students, at least 18 years of age, and eligible for University housing. Incoming first year students are not eligible to participate during their first two semesters.
2. Applicants must fill the room(s), suite, or apartment being requested to full capacity, i.e., there must be an eligible student applying for every bed in the room(s), suite, or apartment.
3. Students must apply with their prospective roommate(s) following the same processes and deadlines of all students during the Room Reservation Process (RRP).
4. Issues relating to room reassignments and vacancies will generally follow the procedure set forth in the Campus Housing policy "Room Change Requests" this information can be found at the following website: http://www.housing.uic.edu/current/resources/room-change.php. Furthermore, students may also utilize Residence Life staff for consultation and mediation if a roommate conflict exists.
5. If a roommate cancels their contract or moves out of the room for any reason, the remaining roommates must identify a new roommate to fill the vacancy. Campus Housing staff will define the time allocated to find a new roommate. This window of time will vary depending on time of year and the status of a waitlist for the type of room. Typically, a resident will be allowed a minimum of 24 hours, but not more than one week to identify another eligible roommate. If another roommate is not identified within the time period, Campus Housing reserves the right to assign a student of the same gender as that of the remaining roommate to fill the vacancy.
6. In the absence of extenuating circumstances, students must communicate to their roommate(s) any plans to change rooms or cancel the agreement.
7. The University of Illinois at Chicago has established standards of conduct to which all students are held accountable, including conduct standards relating to abusive, threatening, intimidating, or harassing actions (including, but not limited to, those based on race, religion, gender, disability, age, economic status, ethnicity, national origin, sexual orientation, gender identity, or gender expression) and sexual misconduct. Resources are available to all students in the event that a person believes that aspects of their living situation constitute a violation of these standards of conduct. These resources are available through the Office of the Dean of Students at the following website: http://www.uic.edu/depts/dos/conductforstudents.shtml
